Issues and Solutions

- Government produces nothing and wastes much. We must reduce the scope and power of government.
- Reduce spending, taxes and regulations in order to restore liberty, stimulate economic growth, and create jobs.
- Protect and promote our agricultural interests. Food production is vital to Georgia's future security and prosperity.
- Promote Atlanta-to-Athens high-tech corridor to attract new business and more jobs.
- Excellence in education is the engine to power economic growth.
- Free market solutions for Georgia's transportation and water supply needs.
- Protect and expand private property rights.
- Defend our 2nd Amendment right to keep and bear arms.
- Pro Life. Support Human Life Amendment to Constitution.
- Marriage is an exclusive covenant: one man, one woman.
